## LATE PASS

I *swear*, I did it on time but:

- My dog ate it.
- There was a terrible flood.
- A hurricane snatched it from my hands.
- An angry mob decided that my homework was the source of all evil in the world, so they burned it.
- I was on a date and homework was not exactly the most important thing on

my list of things to do that night.

- Other (please specify, and be creative):
